Leading a European project

Paula Santarén Rodríguez
International Project Manager – Social Economy
International Trade Unit – ACCIÓ

psantaren@gencat.cat
A journey through the stages of the RaiSE expedition...

QUESTION 1: What does the mountaineers picture suggest to you?
The lead partner journey begins before the project’s official start date

**WHY a European project?**
**WHAT European project?**
**What do you want to ACHIEVE?**

Your own challenge vs. the European challenge
Next step: how to select the right partners?
Time to write the proposal!

QUESTION 2: How should the proposal be written?
A – Each project partner prepares their own version.
B – The lead partner writes everything.
C – Partners write all together in a collaborative document.
D – The lead partner prepares the first draft.

Tip: ensure consistency & showcase each partner’s strengths!
Congratulations, your project is approved!

It’s time to RaiSE the project! The role of the leader is key to ensure success.

QUESTION 3: Which are the most important qualities that a project leader should have?
A clear work plan is essential

Tip: when giving deadlines, be strict & allow margin for contingencies
Creating a committed partnership

We all share a common goal

The project’s slogan “we RaiSE this project all together” is always present

The RaiSE song

The importance of after work hours during project meetings
Group cohesion is priceless
